Project Manager
Tersano Inc.
5000 Regal Dr.
Oldcastle, Ontario CANADA NOR 1L0

Dear Jamie:

I am pleased to inform you that Green Seal has completed the compliance monitoring evaluation of Tersano's product and determined that this product continues to comply with the requirements of the Green Seal Standard for Cleaning Products for Industrial & Institutional Use (GS-37) and with the requirements of the Green Seal Standard for Specialty Cleaning Products for Industrial and Institutional Use (GS-53):

Product Name	Product Code	Packaging Size
Lotus Pro Aqueous Ozone	As produced by unit LQFC225K or LQFC275, and stabilized by cartridge LCA112K-FB, LCA114K, or LCA118K	N/A

Accordingly, Tersano is authorized to continue using the Green Seal Mark in association with this product, provided that no changes are made in the way the product is manufactured or represented.

This certification remains valid until such time your product is no longer subject to a valid certification agreement, or that Green Seal has reason to believe, based on the results of our ongoing monitoring program or otherwise, that your product no longer complies with GS-37 or GS-53.

As a reminder, any use of the Green Seal Mark or reference to Green Seal needs to be approved by Green Seal and conform to the Rules Governing the Use of the Green Seal Certification Mark. Please forward all new or revised packaging or marketing materials to certification@greenseal.org for approval prior to production.

Green Seal offers a variety of options to help you get the most benefit from your Green Seal certification. A Marketing Tools Portal with a wide array of graphics and communications tools for you and your customers can be accessed through greenseal.org. Our Marketing & Communications staff offers support and promotion through collaborative outreach and various media channels. Please contact Kat Danaher at kdanaher@greenseal.org for more information and access to the Portal.
